Please note:

1. Controls: Choose which side you want the controls to be Left or Right.
2. Cord Height: this is where you can specify the length of the controls. The standard length is 75% of the drop of the blind but you can specify to have it longer or shorter than the standard.
3. Brackets: Rec (Recess) - Inside mount & F/F (Face Fix) - Outside wall mount.
4. You should have a minimum of 70mm reveal width to fit blinds in the reveal.
